MONTREAL - Is Jennifer Lawrence too chubby to be believable as Katniss Everdeen?

Some fans of *The Hunger Games* are taking issue with the movie critics. The Hollywood Reporter complained about Lawrence's "lingering baby fat."

In a big *Chicago Sun-Times* article, somebody quotes the actress saying how so many actors are criticizing me for looking like a pig.

The other big meme at the box offices and in the cinemas, is that the new *Hunger Games* movie or else maybe ... well, work on it yourself. (Thanks to *One Who Cannot Be Named* for pointing this out.)

Jennifer Lopez has a long, unseemly history of making her boyfriends appear in her music videos (yes, even Ben Affleck, back in the day, in *Jenny From the Block*).

Now her current boytoy Casper Smart has removed his shirt for her

...Beauty secrets of the stars: Madonna is a big fan, the Telegraph newspaper says, of something called [Intraceuticals Rejuvenate Daily Serum](#).

This stuff (a brisk \$149 for just 30 ml) supposedly irons out wrinkles like Botox, but without injections.

She's 53.
